Work: IBM Cloud Account

Team Lead : Sathish kumar P

Team Member 1 : Santhosh P

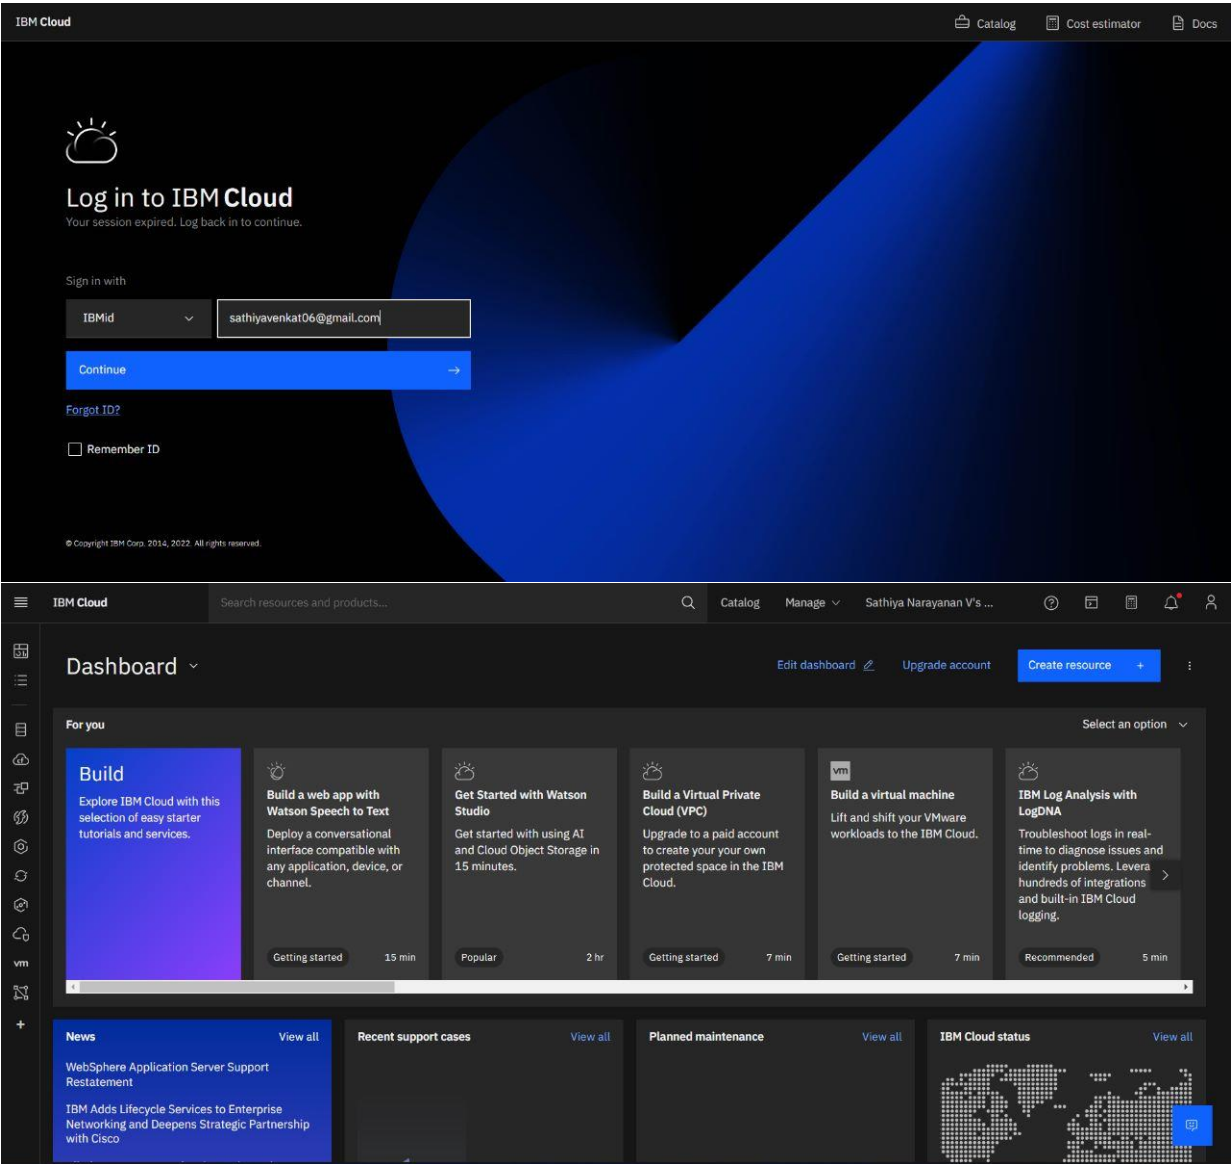

The screenshot displays the IBM Cloud user interface. At the top, the 'Log in to IBM Cloud' section features a sign-in form with a dropdown menu set to 'IBMId' and an email address 'santhoshp1632@gmail.com'. A 'Continue' button is visible below the form. To the right of the login form are links for 'Forgot ID?' and a 'Remember ID' checkbox. The background of the login page is a dark blue abstract shape.

Below the login section is the 'Dashboard' area. It includes a search bar, navigation links for 'Catalog', 'Manage', and 'Santhosh P's Account', and a 'Create resource' button. The dashboard is divided into several sections:

- For you:** A row of six cards with icons and titles: 'Build' (purple background), 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build a Virtual Private Cloud (VPC)', 'Build a virtual machine', and 'IBM Log Analysis with LogDNA'. Each card includes a brief description and a 'Getting started' button with a time estimate (e.g., 15 min, 2 hr, 7 min).
- News:** A section titled 'WebSphere Application Server Support Restatement' with a 'View all' link.
- Recent support cases:** A section with a 'View all' link.
- Planned maintenance:** A section with a 'View all' link.
- IBM Cloud status:** A section with a 'View all' link and a world map graphic.

The bottom of the dashboard features a 'Cookie Preferences' button on the right and a 'vm' icon on the left. The browser's address bar shows 'https://cloud.ibm.com'.
